

Workforce Retention Speaker & Trainer

Jessica Ray

Workforce strategist and retention program facilitator Jessica Ray helps organizational leaders identify what's happening with the current employment landscape and she shifts manager mindsets so they can better lead and retain today's new workforce. Her real-world, engaging approach makes managers more effective in their roles!

As a former manager, Jessica has dealt with common staffing challenges of her own, such as scheduling and attendance issues, inconsistent definitions of professionalism and work ethic, and the widening generational gap impacting nearly all organizations today. And as an early Millennial herself, she sits in the sweet spot for bridging the generational gaps because she can speak to both the expectations of traditional managers and the evolved expectations of today's new workforce.
